The LEA must reserve at least 20 percent of funds to address learning loss through the implementation of evidence-based interventions and ensure that those interventions respond to students' social, emotional, and academic needs and address the disproportionate impact of COVID-19 on underrepresented student subgroups (each major racial and ethnic group, children from low-income families, children with disabilities, English learners, gender, migrant students, students experiencing homelessness, and children and youth in foster care).	NAS-LC will use the 20% of the 2/3 funds to meet the needs of student groups by allocating funds to a summer school program to encourage credit recovery. The funds will also be used to implement a Friday School model to ensure that all students have the necessary intervention to complete credits. Activities to Address Needs

Descriptions for all narrative responses below must describe how interventions to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children and youth in foster care, and migratory students.

Funds may be used for a wide range of activities to address needs arising from the coronavirus pandemic, including any activity authorized by the following Acts.

Interim Final Requirement: Under this requirement, an SEA must engage in meaningful consultation with various stakeholder groups on its ARP ESSER plan and give the public an opportunity to provide input on the development of the plan and take such input into account. Specifically, an SEA is required to consult with students; families; Tribes (if applicable); civil rights organizations (including disability rights organizations); school and district administrators (including special education administrators); superintendents; charter school leaders (if applicable); teachers, principals, school leaders, other educators, school staff, and their unions; and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students in the development of its ARP ESSER plan. Under the requirement, an SEA must also provide the public with the opportunity to provide input in the development of the plan and take such input into account.

*Meaningful consultation means each stakeholder group was afforded multiple opportunities to provide feedback on the LEAs ARP application prior to the application being submitted. Pursuant to 2 C.F.R. § 200.332(a)(5), all sub recipients as identified in Exhibit A, attached to this sub award, must permit PED and auditors access to records and financial statements as necessary.
